WELCOME TO YOUR GUARDIAN'S STORIES

Here's where you can find lost story-treasures and enjoy the stories of the Saga (the Bible). See how each story fits together to reveal more about who Jesus is. Find out that the story is still going on now – and that you can be part of it, not just for the few days of the club but for always.

The Bible is split into two sections (the Old Testament and the New Testament). These two testaments are split into books (the Old Testament has 39 books, the New Testament has 27). The books are split into chapters (the biggest

book, Psalms, has 150 chapters!) and those chapters are split into verses (the longest chapter is Psalm 119 with 176 verses!). Sometimes you'll see a Bible verse written like this: **MATTHEW 22:37**. Here is how you tell which verse to read:

MATTHEW means we need to look for the **Bible book of Matthew**. If you are not sure where this is, look for the contents page near the beginning of the Bible.

MATTHEW

22 means we need to look for the big number 22; we call it **chapter 22**.

22 : 37

37 means we need to look for the little number 37; we call it **verse 37**.

At **GUARDIANS OF ANCORA** you become a Guardian at the club.

THE STORY OF THE SAGA

THIS STORY OF THE SAGA IS ABOUT F _____

By listening to Jesus the fishermen are able to catch very large numbers of fish, when without him they had worked hard, but caught nothing. Jesus asks the fishermen to leave their homes and fish for people instead of fish. He calls them to follow him.

Find these words, and more, in the Bible at Luke 5:1-11.

⁴ When Jesus had finished speaking, he told Simon, "Row the boat out into the deep water and let your nets down to catch some fish."

long and have not caught a thing. But if you tell me to, I will let the nets down." ⁶ They did it and caught so many fish that their nets began ripping apart.

⁵ "Master," Simon answered, "we have worked hard all night

Luke 5:4-6

MAKE A BOAT

Simon and his friends were fishermen. They spent a long time every day in their boats, searching for fish. **Ask a grown-up to help you use the instructions below to make your very own fishing boat.**

1 Hold the paper with the long sides vertical.

2 Fold the paper in half horizontally.

3 Fold the top corners inward to form two triangles that meet in the middle.

4 Fold the remaining flaps upwards on both sides.

When you've made it, try floating it on some water – in the sink, a bucket or maybe even in your bath!
