

Brenda's life was changed thanks to the ministry of Scripture Union. See how you're helping us **share the good news of Jesus** with children and young people today...

**SUPPORTING
CHURCHES IN
MISSION**

Your gifts help our regional teams to provide support, advice and training for local churches.

Please pray for more opportunities to partner with churches.

Thank God for the opportunities these partnerships provide for sharing Jesus with local children.

95% of children and young people don't go to church, so we go to them! Your support enables us to share the gospel with the next generation in fun and relevant ways.

**BRINGING
THE BIBLE
TO LIFE**

The Bible has always been at the heart of Scripture Union's ministry. Today, thanks to your support, over one million children are engaging with the Bible through our free digital game, *Guardians of Ancora*.

Thank God for the impact *Guardians of Ancora* is having on so many young lives.

Please pray that we can continue to create new and innovative ways for children and young people to engage with the Bible.

GUARD

Your support helps to provide holidays for around two thousand children and young people every year, kick-starting and strengthening many faith journeys.

Please pray for all those attending holidays this year.

Thank God that thousands of children are able to discover and grow in their faith through SU holidays.
