WATFORD SCHOOLS TRUST

Giving every schoolchild a clear understanding of the Christian faith

WST is an interdenominational Christian Charity. Our aim is to help teachers to provide pupils with a clear understanding of the Christian faith.

The Hertfordshire RE Advisers have acknowledged the positive contribution of the Trust along with many of the teaching staff and children in the schools we visit. Last year we took over 500 lessons and 100 assemblies.

Wanted: Part-Time Primary Schools Worker

Watford Schools Trust is an interdenominational Christian charity that works with over 50 primary schools in the Watford area. Our aim is to help give every school child a clear understanding of the Christian faith. The Schools Worker will work with two other workers to deliver lessons, assemblies and other activities in schools, complementing the Christian element of the Hertfordshire syllabus for Religious Education.

We are looking for a part time Primary Schools Worker to join Watford Schools Trust's team for an 18 month fixed term with the possibility of this being extended depending on funding. It is a flexible position for approximately 10 hours per week (term time only) offering a pay rate of £11-£12 per hour dependent on previous experience.

Your role will be to help children develop a clear understanding of the Christian faith by delivering RE lessons, assemblies, workshops and activities such as Prayer Space, as well as liaising with school staff.

We are looking for someone with excellent organisational and communication skills, who can take initiative and work by themselves, while taking seriously the fact that they are part of a wider team.

Previous experience of working with children would be an advantage but is not essential. This occupation requires that the appointed person be a committed Christian and the successful applicant will be required to have the relevant DBS check.

Please email Revd. Maureen Hider (Chair of Trustees) maureen.hider@mac.com for further an information or to request an application pack.
