

How would you describe your dream day?

What makes you feel scared?

Have you ever prayed?

Do you think God is real?

What have been the best and worst parts of your day?

Who is your favourite person to spend time with?

If you could have any talent what would it be?

What do you think about when you first wake up?

What do you think being kind means?

Would you change any of the choices you made today?
