

“Memorize these laws and think about them. Write down copies and tie them to your wrists and your foreheads to help you obey them. Teach them to your children. Talk about them all the time—whether you’re at home or walking along the road or going to bed at night, or getting up in the morning.”

Deuteronomy 11:18,19

THE 95**

### DIARY OF A DISCIPLE HOLIDAY CLUB

Our holiday club material for 2022, specifically aimed at encouraging churches to work with the 95. It helps churches to connect with children aged 5-11, encouraging them to explore the Bible and provides an appropriate opportunity to respond to Jesus.

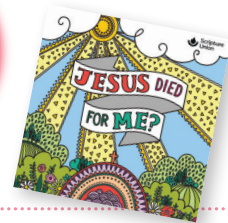

### DIARY OF A DISCIPLE LUKE'S STORY JOURNAL

This is a new book in our very popular *Diary of a Disciple* collection. Aimed at children aged 8-11, it helps them to reflect on Luke's story and what it means to them personally. It gives them space to engage at their own level and consider what life as a follower of Jesus might be like.

### JESUS DIED FOR ME?

This is part of our seasonal missional outreach and is a retelling of the Easter story in an interactive, colourful and reflective style. Aimed at children aged 5-11.

"I just want to give you some positive feedback on the *Jesus Died for Me?* book by Gemma Willis. The staff thought it was excellent and we will be using it at Easter and distributing it widely in the community. Great children's material isn't always easy to find."

### THE URBAN COLLECTION

The Urban Collection is aimed at the 95 who live in urban contexts (so approx. 55 per cent of the population). The idea is to do 'outdoors' stuff in an urban context because we all "stand on holy ground" whether it's a beach, a woodland or a city street. The purpose is to be relevant to the lives of the 95 so that they can explore how following Jesus is possible for them.

### THE GO WILD! COLLECTION

The *Go Wild! Collection* will equip you to accompany children throughout the Revealing Jesus framework as they connect, explore, respond and grow.

It harnesses the power of the great outdoors and encourages children aged 7-11 to discover who God is and what he is like by exploring their natural surroundings. The collection can be used in community spaces such as parks, woods and fields.
