REVEALING JESUS PIONEERS

Exciting new Pioneer roles at Scripture Union

95% of under-18s don't go to church BUT many are open to faith! To help make the most of this amazing opportunity, we're recruiting Revealing Jesus Pioneers to encourage and equip churches in mission, and empower them to reach 'the 95' in their area.

If you're an experienced, highly motivated and passionate practitioner with the ability to recruit, train, equip and support a large number of Faith Guides, we'd love to hear from you! You'll also need to be a capable communicator and able to lead by example, modelling mission to children and young people through Scripture Union's Revealing Jesus mission framework.

THE TIME IS NOW TO SEIZE THIS OPPORTUNITY, AND SO WE HAVE EIGHT BRAND NEW PIONEER ROLES TO FILL...
